

The Adventure Continues...

Ask about the other exciting workshops for which you, your friends and siblings may be eligible:

• Break Workshops

These five-day short-burst workshops happen over Winter, Spring and Mid-Summer break! They combine theatre skills with personal interaction as members participate in creative activities which include acting, singing, dancing, and of course, a live performance - all in five days!

• Acting for Camera & Stage

A technique workshop using improvisation and theatre games to enhance spontaneity, performance skills, self-confidence, cold reading, audition and camera techniques, personal interaction, self-esteem and problem-solving.

• England Adventure & Tokyo Tour

The only one of its kind designed for artists and dreamers of all ages (10 and up). A once-in-a-lifetime theatre trip where members participate in exciting acting workshops taught by acclaimed artists, see plays, explore the sights, make new friends, and become ambassadors in an important and enriching cross-cultural experience.

• Summer Theatre Camp

An all day theatre experience offering activities that promote creative expression and inspire joy and self-confidence through voice, movement, costumes, and performance.

• Summer Stock

An advanced theatre intensive focusing on management and production, from audition to final performance before the public. *By invitation only.*

A Magical Theatre Adventure

Boys and girls ages 6 to 14 participate in enriching activities that enhance the imagination as they make new friends while crafting an amazing original theatre piece performed for family and friends at the end of the week. Problem-solving and enhanced communication and study skills are welcome by-products of this fun-filled theatre adventure.

The Process

Internationally renowned actor-director-educator Chris DeCarlo and Emmy-nominated former child star Evelyn Rudie (TV's *Eloise*) partner to create a personalized process that is changing the face of arts education in theatres and schools around the globe. Their unique hands-on method, structured so that each child can be successful, ignites students' passion for arts appreciation and self-expression in a manner unprecedented in the world of theatre arts education. "You won't find anything like it, anywhere else." *Drama-Logue*.
